EC'S FIRST CELEBRATION OF

WORLD TEACHERS' DAY

This global event is held annually on 5 October,
and this year we are getting in on the action to
celebrate the invaluable work of our teachers!

From now on, we will be holding an event every year
to commend and promote international teaching standards,
and to celebrate our own talented team of teachers!

WE NEED YOUR HELP!

This is the day to celebrate the teachers at your school
and we would love to hear from you!

Please send all your innovative ideas for this fantastic celebration to
hrhelpdesk@ecenglish.com with the subject line *World Teachers' Day*.
